Dear member,

It is now time to renew your membership to the London Mountaineering Club.

In order for us to renew your subscription to the BMC, produce your membership card and update your access to the club website we need to receive your renewal by the **31st December 2011** as the club needs all members processed by 26th February 2012 for the BMC return.

If you do not renew by the final February deadline you will cease to hold membership of the club and it will cost the new membership fee to subsequently rejoin.

You do not need to renew if you applied to join the club on or after 1st October this year.

Payment and Data Protection

- If you do **not** want your details published in the Membership Directory or Members Section of the Club's Website please tick here or contact membership.sec@londonmountaineeringclub.com

You can renew your membership in two ways –

1. PayPal

Go to the club website and click on Meets/Events and then select Payments. Alternatively follow the link below.

<http://www.londonmountaineeringclub.com/asp/Payments.asp>

PayPal charges £1.25 for making the £30.00 payment and so you will be charged a total of £31.25. PayPal reduces the amount of administration the club has to perform and we are grateful to members who use this instant and secure payment system.

If you pay via PayPal you do not need to return this form as PayPal will identify you from the details entered. If you have any amendments to your personal details you can email these to membership.sec@londonmountaineeringclub.com

2. Cheque

You can post a cheque for £30, together with this completed form, to Chris Bailey, 31 Caribou Way, Cherry Hinton, Cambridge, Cambridgeshire, CB1 9XF.

If paying by cheque please note your name below and put amendments to personal details (such as address, email, phone) on the reverse of this form and enclose with the cheque. Please make cheques payable to "London Mountaineering Club".
